

# GET THE RECOGNITION YOU DESERVE!

## Buyer's Agents

### Brand Yourself as a Successful Agent

We're leveling the playing field. Now, you can market to the public with a yard sign just as Listing Agents do! When your Buyer's transaction closes, the For Sale sign comes out, and your Brought The Buyer sign goes in!

### Gain a Listing Tool

Most Sellers want to hire Listing Agents who work with Buyers too, in hopes that they will bring the Buyer to their sale. Well, the proof is in the "pudding" (or sign, in this case)! Show them how YOU bring Buyers with your Brought The Buyer Marketing Campaign!

### Increase Your Visibility

Get Noticed! You can never have your name in too many places. Sign calls are the 2nd most common way homes are SOLD!
